Re: 5:13-CT-3291-D Dilworth v. Mc Mahon, et al.

Dear Honorable Judge Devers,

I would like to request from your Honorable Court an in person Pretrial Conference. While my request may not be the norm I AM certain that once we can review agreements concerning facts which are not disputed, Admissibility of evidence, Authenticity of documents, identify witnesses and documents, eliminate unnecessary or repetitive evidence the possibility of a settlement can bring closure to this case.

If my request cannot be granted then I request Appointment of counsel to represent me in further proceedings because I can't even make the merest copy of a document to say the least of my obstacles.

I pray this court will use its sound discretions in reviewing my requests.

Sincerely,

Michael Anthony Dilworth
